MEDICATION

If your child requires any medication to be taken at school please contact the school office. To ensure all students remain safe at school DSBN requires paperwork to be filled out by parents and signed by a doctor before students can be given medication at school. This includes over the counter medication as well. Please let us know if you require the forms to be sent home.

Supporting the Welland Humane Society

Some of our students are looking to collect old towels, dish cloths, blankets, sheets, and dog beds to help out the animals at the Welland Humane Society. If you have any items you would like to donate please send them in with your child.

If You're Away

If your child is away from school, please remember to let us know. You can call the school, leave a message on our answering machine or send in a note. If your child is bussed to school and DSBN cancels transportation, parents are still asked to call the school and let us know that your child will be away for the day.

Thank you for your assistance in keeping all students safe.
