FROM THE OFFICE

The Elementary Progress Report and Kindergarten Communication of Learning

On November 7th, your child will bring home their Elementary Progress Report (Gr. 1-8) or the Kindergarten Communication of Learning – Initial Observation.

Please take the time to look over the report and celebrate your child's success so far this year. You will also find a form to fill out and return to your child's teacher indicating your interest in meeting to discuss your child's report. Please return the form as soon as possible. We look forward to partnering with you and your child for a year of great learning and growth.

Allergy Alert

Please be aware that we have several students with life threatening allergies at Fitch. Please do not send any snacks to school that contain tree nuts or shellfish. If you wish to send a treat with your child, please discuss it with your child's teacher and ensure it does not contain nuts or shellfish. Thank you for helping keep all of our students safe.

TREATIES RECOGNITION WEEK AT DSBN

Ontario has designated November 4-8, 2019 as Treaties Recognition Week with the goal of promoting education and awareness about treaties and treaty relationships. DSBN joins with other school boards across Ontario in encouraging schools to support learning about treaties as an important aspect of our province's history.

For more information on treaties, go to <https://www.ontario.ca/page/treaties>.

Remembrance Day Assembly

On Monday, Nov. 11th at 10:00 am we will be holding our annual Remembrance Day Assembly. Parents and members of the community are welcome to attend.

Parking

We realize that our parking lot at Fitch continues to be very busy. We appreciate that many students are walking to and from school and many families are trying to park elsewhere and walk to school to pick up their children. We need your help to ensure all of our students get back and forth to school safely. If your children are walking near Burkholder Auto could you please discuss how important it is to walk on the sidewalk and not cut through the parking lot. Cars are moving in and out of the bay doors regularly and this creates a serious safety concern when students are cutting through the parking lot. Thank you for your assistance with this. Also please do not park at the apartments next to us. These spots are for residents only.
